Camp Sankanac has been built on the foundation of relationships between campers and counselors. The joy on a camper's face, when they see their counselor that they had the year before, is priceless. Getting to be a part of a camper's spiritual growth brings joys to the counselor's heart. There is nothing like it in the world!

If you love the Lord Jesus Christ and have a desire to see kids come to know Christ as their savior and grow in their faith...

THEN THIS IS THE PLACE FOR YOU THIS SUMMER!

"It is truly hard to put into words just how incredible Camp Sankanac is. As a camper my whole year would revolve around those summers there at camp and meeting back up with some of my best friends that I hadn't seen the whole year. As a counselor I still can't get enough. It is awesome and humbling at the same time to see God use us to bring boys and girls to his kingdom in such an amazing setting such as Camp Sankanac. The relationships and people I have met at Camp S have done so much to also encourage my walk with Christ. When summertime comes around anyone will tell you that the only place to be is at is Camp Sankanac.....just the truth."
