

Host a Japanese Exchange Student for 7 days this Spring!

March 20-27, 2019

Enjoy bringing the mission field to your home!

A group of excited 8th and 9th grade students will be arriving on March 20th to learn about American culture while attending West-Mont Christian Academy in Pottstown. As a host family, you too can learn about Japanese culture while building a lasting relationship with a student half-way around the world! School busing can be arranged in some districts along with carpooling assistance. If you have any questions or would like to host a student, please contact Rosanne Kelsall, Group Director of BWI. Stipend paid to hosts.
