

Now Enrolling Preschool for Ages 3 & 4!

West-Mont Christian Academy seeks to provide a Christ-centered, safe, loving and nurturing environment for every child. Our preschool is a play-based academic program that incorporates comprehensive preschool and pre-K curricula. West-Mont incorporates STEAM into daily lesson plans with age appropriate experiments and multi-sensory manipulatives. We propose to educate the whole child; academically, spiritually, creatively, physically, socially, and emotionally. West-Mont's goal is to reach every child's learning style by incorporating visual, auditory, and kinesthetic teaching into each lesson.
